Commissioner of Patents and Trademarks

Art Unit: 2761

1. Applicant should note the changes to patent practice and procedure effective December 01, 1997 as published in the Federal Register, Vol 62, No. 197, Friday October 10, 1997.

2. The request filed on April 20, 1999 for a Continued Prosecution Application (CPA) under 37 CFR 1.53(d) based on parent Application No. 08/872,349 is NOT acceptable and a CPA will not be established for the reason given below.

2.1 From the file history it is noted that:

A) the Notice of Allowance and Issue Fee due for the instant application was mailed on November 10, 1998. Thus the status of the instant file between November 10, 1998 and February 16, 1999 was allowed awaiting payment of the Issue Fee.

B) on February 16, 1999 applicant paid the Issue fee. Thus the status of the instant file between February 16, 1999 and April 20, 1999 was allowed with the Issue Fee paid.

C) on April 20, 1999 applicant merely filed the request for a CPA of the instant application, without complying with MPEP § 1308 and 37 CFR § 1.313. Effectively attempting to reopen the prosecution of the instant application after payment of the Issue Fee.

2.1.1 Such an attempt to reopen the prosecution of the instant application after payment of the Issue Fee by filing a request for a CPA without the Petition to withdraw the instant application from Issue thereby not complying with MPEP § 1308 and 37 CFR § 1.313 is improper.

2.2 The request for a CPA filed April 20, 1999, will be placed in the instant application file but will not be considered or acted upon by the Patent Office.
